## KEEP OUT OF REACH OF CHILDREN WARNING

### STATEMENT OF PRACTICAL TREATMENT

**IF IN EYES:** Hold eyelids open and flush with a steady, gentle stream of water. Get medical attention.

**IF SWALLOWED:** Call a physician or Poison Control Center. Give water if conscious. May present aspiration hazard. DO NOT induce vomiting.

**IF ON SKIN:** Wash with plenty of soap and water. Get medical advice.

**IF INHALED:** Remove victim to fresh air.

**NOTE TO PHYSICIAN:** If swallowed, lavage stomach, taking care to avoid aspiration of stomach contents into the lungs.

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**WARNING:** Causes substantial but temporary eye injury. Do not get in eyes. Harmful if swallowed, inhaled, or absorbed through skin. Avoid contact with skin or clothing. Avoid breathing vapor or spray mist. Wear safety glasses. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

## ENVIRONMENTAL HAZARDS

Do not use on slopes or in areas where runoff is likely to occur (apply only to level surfaces). Do not contaminate water used for irrigation or domestic purposes. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not contaminate water when disposing of equipment wastewater. Apply this product only as specified on this label.

## PHYSICAL OR CHEMICAL HAZARDS

Do not use, pour, spill, or store near heat or open flame.

## GENERAL INFORMATION

For total weed control on certain areas around the home, the business, or workplace where no plant growth is desired, use as specified in the label directions.

For control of annual and susceptible perennial weeds such as downy brome grass, oatgrass, goosegrass, quackgrass, puncturevine, goldenrod, and plantain.

SPOT - TVC is a nonselective product intended for use after dilution with water or an appropriate oil or other approved carrier. For best results, apply to bare ground or when weed growth is just starting. Weeds taller than 4 - 6 inches should be hoed before treatment or it may be necessary to make a second application. A second application may be necessary to control deep-rooted perennial weeds.

Use for bare ground vegetation control in driveways, brick walks, paths, patios, parking areas, play areas, along fences and curbs, around buildings, and under graveled pathways where plant growth has come through these surfaces.

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

WEEDS	SPOT-TVC/ 100 Sq. Ft.
<b>Annual and Perennial Weeds Such As:</b> Downy brome grass, Goldenrod, Goosegrass, Oatgrass, Plantain, Puncturevine	10 - 16 fl. oz.
<b>Perennial Broadleaf and Grass Weeds Such As:</b> Bindweed, Johnsongrass <b>Biennials Such As:</b> Common mullein, Wild carrot	43 - 57 fl. oz.

Use a sprinkling can or other water or spraying device with 2½ gallons or sufficient water to get good coverage of the area. Different grades of mineral oil, diesel fuel, petroleum-based oil, fuel oil, or kerosene may be substituted for water.

When using a sprinkling can, triple rinse and pour rinsate on area treated once application is complete. Mix only the quantity needed and use immediately. Do not store dilute solution once container is opened. To minimize lateral movement, sprinkle lightly with a watering can or similar sprinkler device immediately after application.

### PRECAUTIONS:

1. Apply when air is calm to avoid the possibility of drift onto desirable plants or grass.
2. Keep away from roots of desirable plants and trees.
3. Use only in areas where complete control of all vegetation is desired.
4. SPOT - TVC should not be used on cultivated areas, on ground that is to be cultivated, in greenhouses, or near the drip line of trees or shrubs.
5. Do not use on slopes or in areas where runoff is likely to occur (apply only to level surfaces).
6. Avoid using where adjacent desirable trees, shrubs, or plants may be injured from leaching of the chemical through the soil.
7. Keep children and animals off treated areas until these areas are dry.

## **STORAGE AND DISPOSAL**

Do not reuse empty container. Wrap container and put in trash collection.

## **CONDITIONS OF SALE AND WARRANTY**

Lawn and Garden Products, Inc. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated when used in accordance with the use directions under normal conditions. Lawn and Garden Products, Inc. neither makes, nor authorizes any agent or representative to make, any other warranties, express or implied, including fitness or merchantability.

The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Plant injury, ineffectiveness or other unintended consequences may result because of such factors as timing and method of application, weather and plant conditions, presence of other materials, or other influencing factors, all of which are beyond the control of Lawn and Garden Products, Inc. and Seller. Buyer and user acknowledge and assume all risks and liability resulting from the handling, storage and use of this material not in strict accordance with directions given herewith. In no case shall Lawn and Garden Products, Inc. or the Seller be liable for consequential, special, indirect, or incidental damages or losses resulting from the handling or use of this product. The foregoing is a condition of sale by Lawn and Garden Products, Inc. and is accepted as such by the Buyer.
