PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: May cause eye irritation. May be harmful if swallowed, inhaled or absorbed through skin. Avoid contact with eyes, skin or clothing. Avoid breathing spray mist. Wear long sleeved shirt, long pants, and shoes plus socks when mixing or handling concentrate. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

First Aid

Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

Skin: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

Ingestion: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a Poison Control Center or doctor. Do not give anything to an unconscious person.

Inhalation: Move person to fresh air. If person is not breathing, call 911 or an ambulance then give artificial respiration, preferably mouth-to-mouth if possible. Call a Poison Control Center or doctor for further treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.

DIRECTIONS FOR USE

Dust Binder is a polymer based dust control additive. It is mixed with water and applied by watering can or high volume sprayer.

For best results either pre-water the area to be treated or treat after a rain has occurred. Before the area has dried out, apply **Dust Binder**. After application(s), a crust will form on the soil surface reducing dust.

Mix 5 fl. oz. **Dust Binder** per gallon of water and apply 25 gallons of the water mixture per 500 sq. ft. (1 gallon **Dust Binder** will treat 25 gallons of water). Higher volumes can be used in high traffic areas. Repeat application throughout the dust season or if the resulting crust is broken by continuous traffic. Rinse the sprayer with water immediately after use.

STORAGE AND DISPOSAL

Do not contaminate water, foodstuffs, feed or seed by storage or disposal.

Storage: Store this product only in its original container in a dry, cool, secured storage area.

Container Disposal: If empty: Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

NOTICE TO BUYER:

Seller makes no warranty, express or implied concerning the use of this product, other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
