Total 100.0%

Contains 2.1 lbs. Metaldehyde per gallon.

EPA Reg. No. 52251-26-54705

EPA Est. No. 48498-CA-1

Manufactured for:

LAWN AND GARDEN PRODUCTS, INC.

P. O. Box 35000 • Fresno, CA 93745 • (559) 499-2100

KEEP OUT OF REACH OF CHILDREN WARNING/AVISO

Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle. (If you do not understand the label, find someone to explain it to you in detail.)

STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Contact physician, Poison Control Center, or emergency clinic before inducing vomiting. Give water to drink and induce vomiting by touching back of throat with finger, or by administering syrup of ipecac. Do not induce vomiting or give anything by mouth to an unconscious person. If medical advice cannot be obtained, take person and product container to the nearest emergency treatment facility. **In Case Of Eye Contact:** Wash eyes immediately with fresh water for at least 15 minutes. See a doctor if irritation persists. **For Skin Contact:** Wash skin with plenty of soap and water. **If Inhaled:** Remove person from exposure area.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: May be fatal if swallowed. Avoid breathing spray mist. Do not get in eyes, on skin or on clothing. Wash thoroughly after use. Keep out of reach of children or domestic animals. **IMPORTANT:** KEEP CHILDREN AND PETS OUT OF TREATED AREA UNTIL SPRAY HAS DRIED. THIS PESTICIDE MAY BE FATAL TO DOGS OR OTHER PETS IF EATEN.

Personal Protective Equipment (PPE)

Applicators and other handlers must wear: Coveralls over long-sleeved shirt and long pants, chemical-resistant or waterproof gloves, chemical-resistant footwear plus socks, protective eyewear, chemical resistant apron when cleaning equipment, mixing, or loading. Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

User Safety Recommendations:

- Users should:
- Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
 - Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
 - Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

Environmental Hazards

This product is toxic to birds and wildlife. Birds feeding on treated areas may be killed. For terrestrial uses, do not apply directly to water or areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water with disposal of equipment wash water.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

NON-AGRICULTURAL USE REQUIREMENTS

The requirements in this box apply to uses of the product that are NOT within the scope of the Worker Protection Standard, for agricultural pesticides 40 CFR Part 170. The WPS applies only when this product is used to produce agricultural plants on farms, forests, nurseries, or greenhouses.

USE PRECAUTIONS

Read entire label before using. Apply directly to the soil area beneath plants as listed on this label. Do not allow spray to come in contact with parts of plant that may be used for food or feed purposes. **Do not allow drift to areas occupied by unprotected humans or beneficial animals or onto adjoining food, fiber or pasture crops. This product may be injurious to Daylilies and Clematis. Do not use on these plants.**

MIXING: Shake LIQUID SNAIL-SLUG SLAYER well before mixing. Thoroughly mix spray solution before application. Use entire mixed solution at one time. Do not store mixed solution. Coagulation of mixture on sprayer screens can occur. Removal of screens from spray systems that operate at medium to high pressure is recommended.

HOSE-ON TYPE APPLICATOR: Thoroughly water areas to be treated. Use 1 ounce of LIQUID SNAIL-SLUG SLAYER for each two gallons of solution delivered by your applicator to cover approximately 200 square feet.

SPRINKLING CAN: Thoroughly water areas to be treated. Mix 1 ounce of LIQUID SNAIL-SLUG SLAYER to each two gallons of water and sprinkle over areas to be treated.

WHERE SNAILS ARE A PROBLEM: We suggest double rate of application on Ornamentals only.

BEST RESULTS: Apply LIQUID SNAIL-SLUG SLAYER in the cool of the evening.

Almond Anise Artichoke Asparagus Beans Beets Blackeyed Peas Blackberries Blueberries Boysenberries Broccoli Brussels Sprouts Cabbage Caneberries Cantaloupes Caraway Carrots Catnip Cauliflower Celery Chicory Chives Collards Coriander Corn Cowpeas Cucumbers Currant Dewberries Dill Eggplants Endive Garlic Ginseng Horseradish Kale Kohlrabi	Leeks Lentils Lettuce Loganberries Melons Muskmelons Mustard Mustard Greens Okra Onions Oregano Parsley Parsnips Peas Peppermint Peppers Pimentos Potatoes Pumpkins Radishes Raspberries Rhubarb Rutabagas Sage Salsify Savory Shallots Spearmint Spinach Squash Strawberries Sweet Potatoes Swiss Chard Tomatoes Turnips Watermelon	Apply 1 to 2 ounces in two gallons of water per 200 square feet. Where snails are a problem, we suggest the higher rate of application. Thoroughly water areas to be treated before application. Apply only to soil surface around plants and in rows between plants. Do not apply in such a manner as to cause drift of product onto plants. Do not apply to edible parts of plants. Repeat as needed for control.
TREES Apples Apricots Avocados Bananas Cherries Citrus fruits Grapefruits Lemons Limes	Nectarines Oranges Peaches Pears Pecans Plums Stone fruits Walnuts	Apply 1 to 2 ounces in two gallons of water per 200 square feet. Where snails are a problem, we suggest the higher rate of application. Make application when foliage and fruit are completely dry, but soil is wet following an irrigation. Apply under trees and any place where snails may congregate. Do not apply in such a manner as to cause drift of product onto trees. Do not apply directly to trees or fruit. Repeat as needed for control.

NOTE: This is a specimen label for electronic distribution. Always refer to product label on container for specific directions for use.

LAWNS Including Dichondra Ornamental Grasses Turf	Apply 1 to 2 ounces in two gallons of water per 200 square feet. Where snails are a problem, we suggest the higher rate of application. Uniformly broadcast directly on lawn or turf. Withhold heavy watering for at least 2 days after treatment. Keep children and pets off the treated area until spray has dried.
ORNAMENTAL PLANTS Such as: Ajuga Begonias Coleus Dahlias Daisies Geraniums Iris Marigolds Pansies Petunias Primroses Salvia	Apply 1 to 2 ounces in two gallons of water per 200 square feet. Where snails are a problem, we suggest the higher rate or application. Water or irrigate areas to be treated before application. Apply only to soil surface around plants; any place where snails and slugs might congregate. Do not apply directly to plants unless prior experience has shown the plant to be tolerant to this product. Most plants are tolerant.

STORAGE AND DISPOSAL

PROHIBITIONS: Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.

STORAGE: Keep pesticides in original container in a locked place out of reach of children. Protect from freezing.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Do not reuse container. Dispose of container in a sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

CONDITIONS OF SALE — LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

The directions on this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions. The failure to follow the label directions, or good application practices, all of which are beyond the control of Lawn and Garden Products, Inc. or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. Lawn and Garden Products, Inc. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of Lawn and Garden Products, Inc. Lawn and Garden Products, Inc. makes no other warranties or representations of any kind, express or implied, concerning the product. Including no implied warranty of merchantability or fitness for any particular purpose. The exclusive remedy against Lawn and Garden Products, Inc. for any cause of action relating to the handling or use of this product is a claim of damage and in no event shall damages or any other recovery of any kind against Lawn and Garden Products, Inc. exceed the price of the product which causes the alleged loss, damage, injury, or other claim. Lawn and Garden Products, Inc. shall not be liable and any and all claims against Lawn and Garden Products, Inc. are waived, for special, indirect, incidental, or consequential damages or expense, of any nature, including but not limited to, loss of profits, or income, whether or not based on Lawn and Garden Products, Inc. negligence, breach of warranty, strict liability in tort or any other cause of action. Lawn and Garden Products, Inc. and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
