**KEEP OUT OF REACH OF CHILDREN  
CAUTION**

**FIRST AID**

**If in eyes:**

- Hold eye open and rinse slowly and gently with water for 5 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

**If on skin:**

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

**If swallowed:**

- Call a poison control center or doctor for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

**NOTES:** Have the product container or label with you when calling a poison control center or doctor or going for treatment. In the event of a medical emergency, you may also contact the National Pesticide Information Center (NPIC) at 1-800-858-7378.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Harmful if absorbed through skin or swallowed. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Applicators and handlers must wear long-sleeved shirts, pants, waterproof gloves, shoes and socks, and protective eyewear. Wash thoroughly with soap and water after handling. Remove and wash contaminated clothing before reuse. Avoid breathing spray mist. Keep children and pets out of the treated area until sprays have dried.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish. Shrimp and crab may be killed at application rates on this label. Do not apply where these are important resources. Do not apply directly to lakes, streams or ponds. Do not apply directly to water, or areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters or rinsate. Do not apply where runoff is likely to occur. Do not apply where weather conditions favor drift from areas treated. Apply this product only as specified on this label.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact workers or other persons, either directly or by drift. Only protected handlers may be in area during application. For any requirements specific to your state or tribe, consult the agency responsible for pesticide regulations.

Read entire label before using. Ground application only. Do not apply this product through any type of irrigation system.

**ALL PLANTS IN AND AROUND THE HOME:**

For control of powdery mildew make the first application after powdery mildew infection is observed. Make a full coverage spray of the growing plants using 0.75 fl. oz. to 1.5 fl. oz. E-RASE CONCENTRATE in 1.25 to 2.5 gallons of water per 1,000 square feet according to the extent of foliar growth and extent of disease pressure.

E-RASE CONCENTRATE is a contact control agent that requires thorough spray coverage to achieve control of powdery mildew. [Foliar coverage on pubescent (hairy leafed) plants will be more difficult to achieve.]

Make follow-on applications when mildew infections are again observed. As increased growth occurs, increase spray gallonage to 1.5 fl. oz. to 3.0 fl. oz. E-RASE CONCENTRATE in 2.5 to 5.0 gallons of water per 1,000 square feet, depending on the extent of growth and the extent of disease pressure.

To avoid foliar injury, do not continue to make applications if chlorotic, and/or brown leaf margins, or other injury symptoms occur.

Continuous agitation of the spray mixture is required to assure proper deposit of E-RASE CONCENTRATE. E-RASE CONCENTRATE can be used to control mildew with repeated application using prescribed rates and spray volume.

Shake well before using and agitate spray solution.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE STORAGE:** Store product in original container in a cool (not in direct sunlight), dry, locked place out of reach of children. Do not store below 50°F; the wax component in the formula will solidify.

**PESTICIDE DISPOSAL: If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

**NOTICE:**

This product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use. Manufacturer is not responsible for the use of this product contrary to the label instructions, or under abnormal conditions not reasonably foreseeable to the manufacturer and/or seller and the buyer assumes the risk of any such use.
