### CAUTION

**KEEP OUT OF REACH OF CHILDREN**

Harmful if swallowed. Avoid breathing spray mist. May cause irritation of nose, throat and/or skin. Avoid contact with eyes, skin and clothing. Wear protective eyewear and waterproof gloves when applying this product. Keep children and pets out of the treated areas until spray has dried.

**FIRST AID**

**If Swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If In Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

### DIRECTIONS FOR USE

Phyta-Guard EC is used to control and/or repel aphids, scales, mealybugs, thrips and other insects. It is also used to control and suppress diseases such as mildew & bacterial spot/speck.

### MIXING DIRECTIONS

Fill sprayer 1/2 full with desired amount of water. Add Phyta-Guard EC and then the rest of the water. Shake well before spraying.

### APPLICATION DIRECTIONS

Applications should be made at 5 - 7 day intervals until infestation is controlled. Spray solution to thoroughly cover the foliage.
